THE UNITED REPUBLIC OF TANZANIA
THE PRESIDENT'S OFFICE
REGIONAL ADMINISTRATION AND LOCAL GOVERNMENT
NAMANGA FORM ONE PRE-MIDTERM EXAMINATION

INFORMATION AND COMPUTER STUDIES

MARKING SCHEME AUGUST 2024

SECTION A

1.

i.	ii.	iii.	iv.	v.	vi.	vii.	viii.	ix.	x.
C	B	D	C	B	B	D	D	C	C

2.

i.	ii.	iii.	iv.	v.
D	B	A	F	C

SECTION B

3.

i. Hard disk drive
ii. Flash disk
iii. Digital Versatile Disks
iv. Compact Disk
v. Floppy Disk

4.

a. RAM –Random Access Memory
b. TV – Television
c. CPU – Centra Processing Unit
d. ALU – Arithematic and Logic Unit
e. HD – Hard Disk

5. Give five uses of computer at home

i. Typing
ii. Watching movies
iii. Play games
iv. Charting
v. Store documents

6. (a)

1. Mouse
2. Monitor
3. System unit
4. Power cable
5. VGA
6. Keyboard

(b) function of hardware labeled 1,2,4 and 6

1. Select text, icons or files, folder and menu items
2. Display information in form of text, pictures and video
4. Supply electricity to the electronic device
6. Typing text

(c)

Input devices

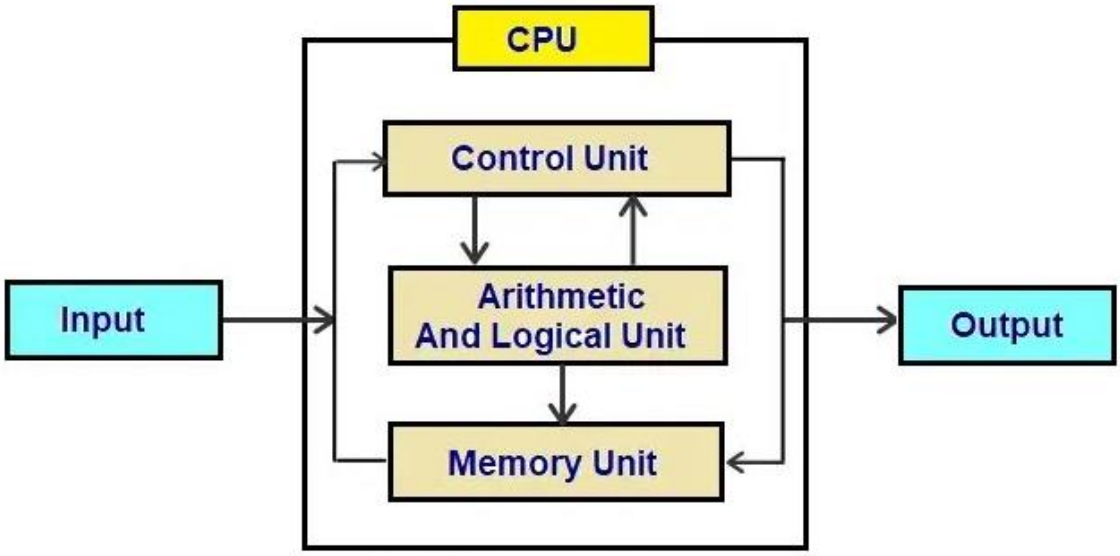

i. Mouse
ii. Keyboard

Output devices

i. Monitor

(d) Hardware housing Central Processing Unit is **System unit – 3**

(e) CPU BLOCK diagram

7. (a) Operating system is a system software that carries out the computer's essential functions.

(b) Resources managed by operating system

i. Computer Memory
ii. Monitor

iii. Disk drive
iv. Printers
v. Programs

(c) **Single-user operating systems** provide access to computer systems by a single user at a time.e.g **windows OS** while **Multi – user operating systems** allow more than one user to access the computer system at once e.g **UNIX**

8.

a) Primary source of information

b) Primary source of information is a source from which first hand information has been collected by investigator.

c)

i. Long time memory
ii. Correct information
iii. Increase level of understanding

9.

Traditional Way	**Modern Way**
i. It is slow in disseminating information.	i. It is very fast in disseminating information.
ii. Uses poor and manual equipment.	ii. Uses more advanced electronic equipment.
iii. Its coverage area is small.	iii. Its coverage area is big.
iv. It is less expensive than modern.	iv. It is high expensive.
v. It is locally wise.	v. It is gobble wise.
vi. Few people are aware with this	vi. Many people are aware.

10. Important of studying ICS

- in education computer are used in teaching and learning process.
