SECTION B (40 marks)

Answer **all** the questions in this section.

3. Read the following passage carefully and answer the questions that follow.

   Around the world and in Tanzania in particular, the growing gaps between the rich and the poor in the recent decades have forced million of young children out of school and into work. The international labor organization estimates that 215 million children between the age of 5 and 17 currently work under conditions that are considered illegal, hazardous or extremely exploitative. Under age children work at all sorts of jobs around the world, usually because they and their families are extremely poor.

   These child laborers suffers extreme illness, exploitation, injuries, and death in underground mines, open cast mines and quarries. Children as young as 6 or 7 years old break up rocks sieve and carry ore some of them especially girls work in domestic services, sometimes starting as young as5 or 6 years. This type of young labor are linked to trafficking. Domestic children labourers can be victims o physical, emotional and sometimes sexual abuse.

   Worse still domestic child laborers ,particularly girls have been considered as sexual objects by male members of the family and in some cases including heads of the families. Additionally sexual protective gears such as condoms, may not be used in the actions, as a result the house girl may conceive, get infected with STI'S, HIV AND AIDS or both. In most cases a pregnant girl may be chased out of house without any help, forced to take an abortion or sometimes given a few money which is enough for bus fair to reach to her parents' home. These option are taken to avoid leakage of information on her pregnancy and confrontation in the family.

   Questions

   a) Suggest the suitable title for this passage and give reasons for your suggestions.
   b) Account for the root causes of child labour in Tanzania.
   c) Point out one risk facing domestic child labourers.
