NAKURU
29th August 2018

Dear Butambuze

I hope that you are all fine in Mwanza. I am writing to inform you that the floods that were experienced recently caused problems in the village. Our houses were washed away by

overflowing water. Our livestock and crops were all washed away and its by God's grace that we survived.

As I write this letter, we have camped in a church compound in Nakuru county where some good Samaritans have given us some clothing and food. However life here has proved to be very difficult because there has been an outbreak of water born diseases and malaria. Mother particularly is not feeling well. Please tell father to come and assist us in taking her to the hospital before her condition worsens.

Hopping to hear from you soon
Your brother
Joseph Ngugi
