i. Land reclamation _____
ii. Under ground water_____
iii. Afforestation_____
iv. Desertification_____
v. Water management_____

5. (a) Outline five categories of land transport
   i. _____
   ii. _____
   iii. _____
   iv. _____
   v. _____

(b) Briefly explain the following terms

i. Plain_____
ii. Continent_____
iii. Water body_____

(c) Differentiate the following terms

i. Rotation and Revolution

_____

_____

_____

ii. Temperature and humidity

_____

_____

_____

6. (a) Out line four uses of topographical map

i. _____

ii. _____

iii. _____

iv. _____

(b) List four important things on topographical map

i. _____

ii. _____

iii. _____

iv. _____

(c) Convert the following scales.

i. 1:700,000 into a statement scale

_____

_____

ii. 5cm to 1 km into a representative fraction

_____

_____

_____

**SECTION C (30 MARKS)**

Answer two (2) questions from this section.

7. Describe five importance of Tourism in Tanzania
