SECTION B (35 Marks)

3.brief explanations

i. A student should briefly explain some importance of studying history
Eg. Knowing our origin and understanding about our social and economic transformation

ii. The treaty relates to the occurrence of the second world war simply because of the harsh terms set toward the looser hence making them wanting to fight back

iii. His stock of wealth was greatly reduced which largely sapped his ability to resist. For example , he was unable to control the caravan routes after 1891 when the French took Bisandugu and forced him to migrate southwards hence loosing the gold field which was the main source of income for the empire.
The continuous wars of expansion and resistance reduced the size of his army and deprived him of his skilled and experienced soldiers.

iv. Because he was the one who convened the berlin conference which legalized the colonization of African continent.

v. A student to briefly explain some positive impacts of the white missionaries in Africa.
eg.
They introduced formal education
They set up medical and health services in Africa.
They participated in the abolition of slave trade.

vi. He was a symbol of unity. Because he managed to unite people from different tribes to fight against European encroachment. This was during the majimaji war when people from Tanganyika offered the last and most serious revolt against Germans.

Distribution of marks in essay questions below:

Introduction 2 Mark

Main body 2 Marks (2x6) six points

Conclusions I Mark

Total 15 Marks

6. introduction

Define agriculture and its period and examples of some societies practiced agriculture

changes brought by agriculture

i. **It led to the production of more food in these societies.**
ii. **Agriculture forced people to settle down in one place.**
iii. **It encouraged social and political organizations**
iv. **It led to the expansion of exchange trade due to surplus.**
v. **It encouraged specialization of work in the society, for example people begun to practice medicine, priestly duties and different crafts.**
vi. **Some people became wealthier than others in the society due to the presence of more land and animals.**
vii. **The agriculturists were forced to come up with new religions that could save their animals or livestock, For example new Gods.**
viii. **Agriculture led to the introduction of science and technology. For example, in Egypt, there was need for irrigation**

any related conclusion

7. introduction

Define mass nationalism

six internal factors for mass nationalism

i. Role played by African elites eg. Nyerere, Nkrumah
ii. Ghana independence of 1957
It was seen as a role model for other countries to copy
iii. Italo-Ethiopian war of 1935
Ethiopians won the war, Africans learnt that it was possible for the Africans to win if they used similar ways as used by Ethiopians to beat the giant Italy
iv. Role played by African independent churches
Presence of African segregated churches that were owned by Africans helped them raise consciousness among Africans because during their preaching they spread hate against all forms of colonialism
v. Role played by social and welfare associations

Trained Africans on how to become leaders and extended sympathy of the workers to all the society to fight

vi. Presence of some ever-independent African states eg Ethiopia
This made Africans learn that it was possible for them to rule themselves like how those countries which were never colonized had managed to govern themselves.

8. introduction

Define Berlin conference, its periodization and participants

principles reached during the berlin conference

i. Principle of notification
ii. Principle of effective occupation
iii. Freedom of navigation
iv. Abolition of slave trade
v. King Leopold was allowed to rule Congo.
vi. Toleration of agents of colonialism

9. Introduction

Define decolonization and period

USA championed decolonization due to

i. She had no colonies in Africa
ii. She wanted to get areas for investment
iii. Wanted Africa to remain free for her trading purpose (free trade zone)
iv. USA wanted to countercheck the spread of socialism
v. Wanted to get area for her military base
vi. Wanted to spread capitalist ideas
