THE UNITED REPUBLIC OF TANZANIA
FORM FOUR ACADEMIC PRACTICAL EXAMINATION
INFORMATION AND COMPUTER STUDIES — 036/2
DESKTOP PUBLISHING PRACTICAL

Question	3	**Marks**	25
Time for paper	3 Hours	**Answer**	Any TWO questions

QUESTION 3 — DESKTOP PUBLISHING (25 MARKS)

Mwangaza Secondary School is organising **ICT and Innovation Day 2026**. You have been appointed to design a one-page publicity flyer using **Microsoft Publisher**. The final publication must resemble the layout shown in **Figure 1** and should be suitable for printing.

Figure 1: Specimen publication layout to be recreated

ICT & INNOVATION DAY 2026

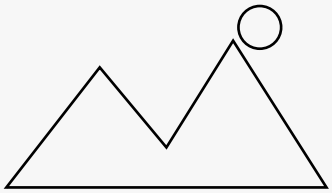
Technology • Creativity • Skills for the Future

18 SEPTEMBER 2026 | 9:00 A.M. – 3:00 P.M.

Venue: School Hall

ACTIVITIES

- Computer Programming
- Cybersecurity Awareness
- Robotics Demonstration
- Digital Forensics Display
- ICT Quiz & Games



INSERT TECHNOLOGY PICTURE / CLIP ART

WHY ATTEND?

- Discover practical ICT skills
- Meet and learn from creative students
- Explore cybersecurity and digital technologies

Date: 12 September 2026

SAMPLE LAYOUT — RECREATE USING MICROSOFT PUBLISHER

Note: Figure 1 is a specimen layout. The candidate is required to reproduce the design in Microsoft Publisher; the boxes, text, image area, borders and positioning are part of the practical task.

QUESTION 3 — INSTRUCTIONS FOR RECREATING FIGURE 1

Using Microsoft Publisher, recreate the publication shown in Figure 1 by carrying out the following:

a) Create a new **A4 Portrait** publication. Set suitable margins and save the file as **ICT_INNOVATION_DAY**.

b) Create the main heading **ICT & INNOVATION DAY 2026** and format it as a large, bold and prominent heading.

c) Add the subtitle **Technology • Creativity • Skills for the Future** below the main heading.

d) Create a separate text box/shape for the **date, time and venue**. Apply a fill colour and outline similar to Figure 1.

e) Create the **ACTIVITIES** section and enter the five activities shown in Figure 1 using a bulleted list.

f) Insert a suitable **technology-related picture or clip art** in the picture area. Resize/crop it and position it without covering text.

g) Create the **WHY ATTEND?** section and enter the three points shown. Format them neatly.

h) Create the **CONTACT US** section and enter the telephone number and email address shown. Underline the email address.

i) Apply an **outer page border**, align and distribute the objects neatly, and maintain consistent spacing.

j) Use **grouping** where appropriate so related objects can be moved together. Use Arrange/Align tools to obtain the layout shown.

k) Insert the **current date** using Publisher's date/time feature, check the publication in Print Preview, save it, and prepare a printed copy.

Skills assessed: page setup, text boxes, font formatting, decorative headings, shapes, fill and outline, bullets, pictures/clip art, crop/resize, alignment, arrange, grouping, borders, date/time, print preview and printing.
