1. a) Nepal Bank has recently experienced exponential increase of the customers and staff members. The bank has planned to establish a database for storing their data in order to handle them easily. Create a database named "**NepalBank**" to store information about its staffs and do the following tasks:

(i) Create a table named "**Staffinfo**" having following table structure:

Field name	**Data type**	**Description**
Sid	Autonumber	Pkey. Staff identification number
Department	Text	Department like Teller dept, Administration dept, Store dept and Loan dept
Sname	Text	Staff name
Address	Text	Address of staff
Sphone	Text	Staff phone
Post	Text	Post Like Teller, Casher, Accountant and Manage
DoJ	Date/time	Date of joined
SDoB	Date/time	Staff date of birth

(ii) Create a form on the basis of **"staffinfo"** table and save as **"entryform".**

(iii) Fill at least 4 records using the **"entryform"**

(iv) Create a query named **"depinfo"** to display records only including department name, staff name and mobile number.

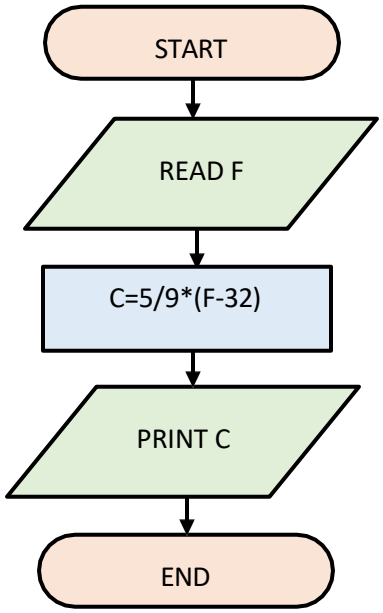

(v) Create a query named **"post"** to display Staff name, Post, Department and Phone number whose post is "**Teller"** or **"Casheir".**

(vi) Prepare a report called **"emplinfo"** on the basis of query named **"depinfo".**

(vii) Print: -

- **entryform** form
- **depinf** query
- **emplinfo** report

b) Flowchart is a diagram which visually presents sequence of steps for solving problems. You as an IT expert you have been asked by IT management team to draw a flowchart which will enable to design a system of finding **Celsius** after supplying the value of **Freiheit**. By using a word processing software, draw the flowchart to appear as the figure below [***use the given hints***]

Hints:

- Apply **Calibri (Body)** as a font face for each text in a shape with 11pt as a font size
- The shape outline of each figure should be black with $1\frac{1}{2}\ pt$ weight
- The apply Orange, Accent 2, Lighter 80% as a fill color for START and END shapes
- The apply Green, Accent 6, Lighter 80% as a fill color for READ and PRINT shapes
- The apply Blue, Accent 1, Lighter 80% as a fill color for the formula shape
- Save the document as "**CFlowchart**" and print your work

2. a) **SANGATITI** company wants to analyze its employee's personal details using Microsoft Excel. The company has five employees: Makame Said ***(Male),*** Salum Omary ***(Male),*** Talhiya Faki ***(Female),*** Farida Abdallah ***(Female)*** and Twalha Zahir ***(Male).*** Their ages are 20, 45, 40, 45 and 24 years respectively. Makame Said is in

Research department, Salum Omary in Finance department, Talhiya Faki in Computer Science department and Farida Abdallah and Twalha Zahir are in Administration department. Their marital status depends with their age where all employees with 25 years and above are married otherwise are Single.

Questions

(i) By using appropriate headings, construct a worksheet showing the above information. (Title of the worksheet should be **SANGATITI Employee's Personal Details)**

(ii) All headings should be bold and apply borders to your work

(iii) Use **IF** function to generate the marital status of each employee.

(iv) Save your work as "**EmplyeeDetails"** and print your work

b) You have been appointed by your school management to prepare a presentation to be used on the ***Annual Food Fair Day***. The aim of the presentation is to inform the society about the services offered at your school as extracurricular activities. As a well knowledgeable student in Information and computer studies (ICS), prepare five slides as follows:

Hints:

- Use the "**organic variants**" theme as the layout of the whole presentation
- Add a footer with your Examination number and the text: **Food Fair** so they both appear on every slide.
- Increase the font size for the titles in each slide to **48p**t and subtitles to **36 pt.**
- Change the font color for the titles and sub-titles to **red** and **blue** respectively
- Insert one suitable image/picture in the second slide to fourth slide. Reduce the size of the image and place it where it will not interfere with text.
- Apply the transition and animation features of your choice.

i. **Slide 1:** should include the Title: "**Annual Food Fair",** Sub-title: "**A Celebration of Eating"** and insert a small, red circle at the bottom right of the title slide.

ii. **Slide 2:** should include the Title: "**The Menu"** and use bullet points to enter the following text:

- **Chocolate Desserts**
- **Cakes and Puddings**
- **Roast Meals**
- **Pasta Bolognese**

❖ Change the line spacing for these bullet points to 1.5 lines.

i. **Slide 3:** should include the Title: "**Meet The Team"** and add the following table with its data.

Manager	**Bookings**	**Publicity**	**Accounts**
Maggie peet	Brian Webb	Junine Newton	Gregg Brown

ii. **Slide 4:** should include the Title: "**Extra-Curricular Activities"**. And use bullet points to enter the following text:

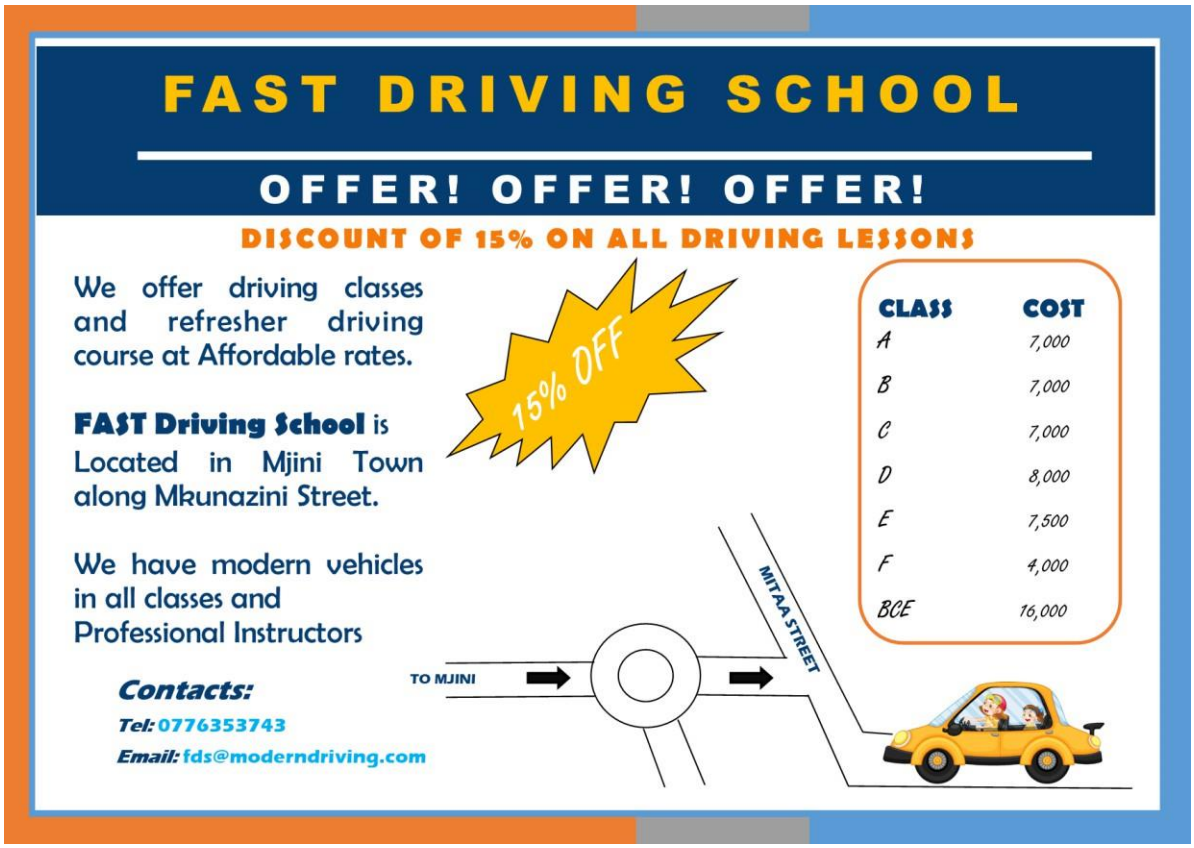

- **Football**
- **Debate**
- **Swimming**

❖ Change the line spacing for these bullet points to 1.5 lines.

Slide 5: should include the Title: "**The End"** and write the text "**Thank you for listening**" then increase its font size to 60pt.

iii. Save the presentation as "***foodfair"*** and print your presentation with six slides per page setup.

3. You have been employed at **FAST DRIVING SCHOOL** which offers driving trainings at Unguja Town. The first task given to you is to design a publication which will enable the company to advertise the new offer to all new customers who wishes to join the lessons. As a qualified graphics designer, create a publication to appear as the given picture below. [***use the given descriptions***]

Descriptions:

(i) The page size should be A4 with Landscape orientation

(ii) The font face for the first and second top headings should be **"Arial Black"**

(iii) Apply orange and white color to the first and second headings respectively

(iv) The background of the first and second heading should be dark blue.

(v) The line which separates two first headings should be **white** with the weight of **6pt**

(vi) The font face of the **third heading**, titles (**CLASS** and **COST)** and the description message (We offer driving ….) should be "**Berlin Sans FB"**

(vii) The font face of **Contacts** with **its details** and words (TO MJINI and MTAA STREET) should be "**Eras Bold ITC"**

(viii) The font face of **CLASS and COST values** and the text **15% OFF** should be "**Freestyle Script**"

(ix) Apply the page border of your choice

(x) Use the appropriate picture of the driving car from the picture folder saved on your desktop

(xi) Save the publication as "**Driving**" and print your work
