PRIME MINISTER'S OFFICE REGIONAL ADMINISTRATION AND LOCAL GOERNMENT

LIWALE DISTRICT COUNCIL

FORM FOUR INFORMATION AND COMPUTER STUDIES PROFICIENCY TEST

MARKING SCHEME

SECTION A (16 MARKS)

1. Multiple choice (10 marks) **(Mark 1 for each correct answer)**

(i) C

(ii) B

(iii) B

(iv) A

(v) C

(vi) C

(vii) C

(viii) C

(ix) C

(x) B

wazaelimu.com

2. Matching items (6 marks) **(Mark 1 for each correct match)**

(i) D

(ii) F

(iii) I

(iv) B

(v) A

(vi) C

SECTION B (54 MARKS)

3. (a) **Network topology** is the Arrangement or layout of computers and network devices in a network. **(2 marks)**

(b) Types of network topology **(8 marks: 2×4)**

Any four explained correctly:

(i) Bus topology

(ii) Star topology

(iii) Ring topology

(iv) Mesh topology

(c) Internet is a global network of interconnected computers that communicate using standard protocols. **(2 marks)**

4. (a) Types of network cables **(6 marks: 2×3)**

Any three:

(i) Twisted pair cable

(ii) Coaxial cable

(iii) Fibre optic cable

(b) One advantage & disadvantage of each **(6 marks: 1+1 ×3)**

(c) Preferred cable **(2 marks)**

Twisted pair cable – cheap, easy to install, suitable for school labs.

(d) Network topology is the arrangement of devices in a network.**(2 marks)**

5. (a) Means of spreading information **(3 marks)**

Any three:

(i) Radio

(ii) Posters

(iii) Social media

(iv) Word of mouth

(v) Television

(b) Limitations **(4 marks: 1×4)**

Any four relevant points:

(i) High cost

(ii) Limited coverage

(iii) Illiteracy

(iv) Time consuming

(v) Language barrier

(c) Factors for effective communication **(2 marks)**

Any two:

(i) Clear message

(ii) Appropriate medium

(iii) Right timing

(iv) Target audience

6. (a) Spreadsheet is An electronic worksheet used to store, calculate and analyze data. **(1marks)**

(b) Worksheet questions **(9 marks total)**

(i) The function for Average is =AVERAGE( ) **2marks)**

(ii) The used to assign the grade for each students position is :

=IF (AVERAGE>=75,“A”,IF(AVERAGE>=65, “B”, IF (AVERAGE>=45, “C”,IF(AVERAGE>=30,“D”, “F”)))).

(3 mark)

(iii) The function used to rank the students is **(2 marks)**

=RANK(AVERAGE ,AVERAGE_RANGE) OR

=RANK(K6,$K$6:$K$10)

(iv) Steps to follow to remove row 11Formatting features **(2 marks)**

First ,select the row 11 by clicking on its row number .Then right- click and choose delete from the menu remove it from the worksheet.

7. (a) Any four Factors when choosing OS **(4 marks: 1×4)**

(i) Cost

(ii) Hardware compatibility

(iii) Security

(iv) User friendliness

(v) Application support

(b) Other OS functions **(3 marks)**

Any three:

(i) File management

(ii) Memory management

(iii) Device management

(iv) Security management

(c) Differentiate **(4 marks: 2+2)**

Single user OS: Supports one user at a time while

Multi-tasking OS: Supports running multiple tasks/programs simultaneously

8. (a) (i) Webpage is a single document on the World Wide Web accessed using a browser.**(2 marks)**

(ii) HTML document (8 marks)

```
<!DOCTYPE html>
<html>
<head>                                                    (1mark)
   <title>Ntusu ss</title>                                 (1mark)
</head>
<body>
   <h1><b>FORM THREE ICS</b></h1>                          (1mark)
   <h1>INTRODUCTION</h1>                                   (1mark)
```

```
<p>
    Information and Computer Studies (ICS) is a subject that deals with the study
    of computers, information systems, and how technology is used to solve
    problems in society. ICS helps students to understand computer hardware,
    software, data processing, and safe use of ICT.
</p>
```

(b) HTML tags (3 marks: 1×3)

(i) Ordered list:

(ii) Table: <table></table>

(iii) Link:

SECTION C (30 MARKS)

(Answer any TWO questions only)

9. Five importance of internet (3×5):

Introduction (related definition, examples and types) **(3 marks)**

Main body **(10 marks 2marks each)**

Any five well explained:

(i) Communication

(ii) Education

(iii) Business/e-commerce

(iv) Research

(v) Entertainment

(vi) Online services

Conclusion **(2Marks)**

10. Effects of ICT-related crimes (15 marks)

Introduction (related definition, examples and types) **(3 marks)**

Main body **(10 marks 2marks each)**

(i) Economic losses
(ii) Loss of trust
(iii) Privacy violation
(iv) Cyber fraud
(v) Social insecurity

Conclusion **(2Marks)**

11. Ways technology assists studies (15 marks)

Introduction (related definition, examples and types) **(3 marks)**

Main body **(10 marks 2marks each)**

Any four well explained:

(i) E-learning platforms
(ii) Online research
(iii) Educational software
(iv) Communication tools
(v) Digital libraries

Conclusion **(2Marks)**
